WELCOME  
to the World  
of  
GRANDIS

We opened our accommodation in July 2024 with the goal of creating a space where our guests can feel at home, whether staying for weeks or even months. Our elegant, fully equipped modern apartments, ranging from 25 to 30 m<sup>2</sup> and featuring a kitchenette, are designed to meet all your needs. For added convenience, guests' vehicles are securely parked in a private lot or garage.

The comfort of home is complemented by hotel-level services. A generous breakfast and daily cleaning come as standard. In their free time, guests can unwind in our wellness area, complete with a gym and sauna, or choose from our selection of electric and traditional mountain bikes. We also offer four electric car charging stations, along with laundry and ironing services.

Luxury apartments with premium services— because ordinary isn't enough.

Let's meet at the GRANDIS, in Gödöllő!
